Founder

Ever wonder what would happen to one of your children should they make a mistake and get involved in criminal activity? Have you ever been asked to give a statement by the police or been questioned by the prosecutor's office? If you have any questions or concerns regarding Washington State laws and how they affect you and your family then this is a forum for you!

Come out and ask your questions and voice your concerns, you never know how important understanding the law really is until you are faced with it so act now. Come and join us!
